PROFESSIONAL SUMMARY

I have strong knowledge of Java and am currently learning front-end development. I know HTML, CSS, and JavaScript, and I am learning React. I am eager to start my career in IT, always ready to learn new skills and work on solving problems as part of a team.

PROJECT

- Developed a portfolio showcasing proficiency in HTML, CSS, and JavaScript, featuring three key projects:
- Chatbot using Gemini API: An interactive chatbot utilizing the Gemini API.
- Rock Paper Scissors Game: A simple and fun game to practice JavaScript logic.
- Amazon Landing Page: A static web page demonstrating my learning progress; not yet responsive as I am focusing on other projects.
- Currently optimizing all projects for responsiveness.
